

We're planning for the future, and we want your input.

Your school district is currently conducting focus groups to gather the attitudes and opinions of our community regarding a possible bond vote in 2017.

If you would like to participate in a focus group on Friday, March 3rd, please email Shelley at boardzone1@d401.k12.id.us. Space is limited. Attached is the info presented during the focus groups. The survey is available online.

EVERYONE can visit tsd401bond.org
to participate in the survey!

We value your ideas and thank you for your involvement,
Teton School District 401 Board of Trustees
