General rule of thumb for seniors searching for scholarships.....

Check the websites of the schools you are applying to, or call their financial aid office or admissions office, and inquire about scholarships they may have available for incoming freshman. Also, please note the majority of the scholarships in the Teton High School Scholarship Bulletin are outside scholarships, meaning you can use these scholarships at the school of your choice and are not college specific. It is not possible to list all scholarships offered by individual colleges and universities in the Scholarship Bulletin.

**** If you haven't completed your FAFSA, you need to get that done. ****
