

Public Complaints

The Board is interested in receiving valid complaints and suggestions. Public complaints and suggestions shall be submitted on the Uniform Grievance Procedure to the appropriate-level staff member or District administrator. Each complaint or suggestion shall be considered on its merits.

Unless otherwise indicated in these policies or otherwise provided for by law, no appeal may be taken from any decision of the Board.

The board recognizes that situations may arise in the operation of the system which are of concern to parents or the public. Such concerns are best dealt with through communications with appropriate staff members and offices of the district, such as the staff member, the principals, the central office and the board.
