

# Welcome to Mobile Argyle Insurance

## Benefits at Your Fingertips

You can now access your employee benefits account information on your smartphone with the Mobile Argyle Insurance app for iPhone and Android.

## Locating and Loading the App

Simply search for “Argyle Insurance” on the App Store<sup>SM</sup> for Apple products or on the Google Play<sup>TM</sup> Store for Android products, and then load as you would any other app.

App Store is a service mark of Apple Inc. Google Play is a trademark of Google Inc.

## What You Can Do with the App

**View Accounts** — including detailed account and balance information

**Card Activity** — account information

**SnapClaim** — File a claim and upload receipt photos directly from your smartphone

**Manage Subscriptions** — Set up email notifications to keep you up-to-date on all account and health debit card activity

## Logging In

Use the same username and password you use to log in to the *myRSC*® website. After logging in, you will be on the home page which will list your options.

## Getting Help

Click the Help button at the bottom right of all pages to access contact information for your administrator who will be able to provide assistance.

## Going Home

Press the Home button on the bottom left corner of any page to return to the home page and start over.
