

Teton School District No. 401

CHARTER SCHOOLS

10050

Petition Requirements

Any group of persons may petition to establish a new public charter school, or to convert an existing traditional school public school to a public charter school. The petition to create a charter school shall comply with all of requirements of Idaho Code Section 33-5205. The board of trustees may consider the petition and approve the charter, consider the petition and deny the charter, or refer the petition to the public charter school commission.

Legal Reference: I.C. § 33-5205 Petition to establish public charter school.
