

Distribution of Literature Through Students

Material Distribution

No organization may distribute flyers or other materials related to political issues or special interests on school property without having submitted a written request to and received a written approval from the superintendent of schools in advance of the distribution. Only those groups or organizations that have materials directly related to the curriculum and determined by the superintendent to be educationally related may receive approval for distribution.

Fund Drive Material Distribution

It is the policy of this District to refrain from having the students, as student body members, used for collection or dissemination purposes.

Exceptions to this policy will be considered when recognized or student or school-affiliated organizations of the District request permission to participate in such activity.
