Mowing Service

February 13, 2018

Teton School District No. 401, mowing/lawn maintenance service agreement, anticipated service agreement time span: **May 1, 2018 to April 30, 2020**. Service agreement will be renewable annually, based upon an evaluation by the school district, a review of job performance, and a review of current pricing. The District reserves the right to reject any or all proposals and to disregard minor irregularities in proposals received. Proposals will be evaluated based on the basis of price, technical compliance, completeness and experience and reputation of service. Selection of the winning service will be based on responsible provider whose proposal provides the best overall service, billing, equipment and price and the service which best serves the interests of the District.

Prior to the commencement of the work, the contractor shall provide District with a Certificate of Insurance, Declarations page or other satisfactory evidence demonstrating that contractor is or will be insured for worker's compensation liability in the amount and to the fullest extent required by law.

District reserves the right to terminate this Agreement at any time at its sole convenience and discretion, provided it first gives the contractor not less than fifteen days advance written notice of its intent to exercise such option. In such event, District shall promptly pay Contractor for all work performed prior to the effective date of such termination and District shall thereafter have no further liability or obligation under the Agreement.

Mowing/Trimming Service (as directed by school district maintenance supervisor)

Anticipated start and end mowing dates: May 1st to October 15th (exact start and end dates to be determined by the school district maintenance supervisor).

Any mowing that is close to the school building **must occur before 8:00 am or after 3:30 pm, when school is in session (areas to be determined by District)**. Athletic fields can be mowed during the school day.

***Failure to conform to such agreed schedules may be grounds for immediate termination of the Service Agreement.**
