

Student Vehicle Parking

Students are permitted to park on school premises as a matter of privilege, not of right. Patrols, “dog sniffs” and exterior inspections of student vehicles may be conducted without notice, without student consent and without a search warrant. Whenever the District reasonably suspects that controlled substances, drug paraphernalia, firearms or deadly or dangerous weapons are located within a parked student vehicle or that evidence of unlawful activity is contained therein, district administrative personnel may require a student to unlock the vehicle or trunk and allow inspection of the vehicle. Failure to cooperate may result in the loss of permission to park a vehicle on campus parking lots, temporary or permanent suspension from school or both. For the purpose of this Policy, the terms “firearm” and “dangerous weapon” shall have the same meanings ascribed in 18 U.S.C. §§ 921 and 930.

Students will be permitted to park their vehicle in the school parking lot provided they have:

- a. Valid District Parking Permit
- b. Valid driver’s license; and
- c. Current Vehicle registration.

Additional parking requirements include:

1. Students must complete the Student Vehicle Parking application form prior to parking on school grounds.
2. Automobiles are restricted to parking in spaces marked for parking of student vehicles. All automobiles parked in violation of the Policy are subject to being towed without warning and at the owner’s expense.
3. Parking is restricted to school hours or during District-sponsored activities only. The Teton School District assumes no responsibility for automobiles left in the lot overnight.
4. Vehicles shall be moved upon directive of authorized District personnel.
5. The Teton School District is not responsible for theft or damage to automobiles parked in the student parking lot.
6. Students shall not enter the student parking lot during normal class time, unless the student has written permission from an administrator.
7. Students are prohibited from loitering in the parking lot. Students must enter the building immediately upon arrival.
8. District Parking Permits are not transferable to any vehicle or person other than those listed on the Student Vehicle Parking application. Permits transferred or used in violation of this policy are subject to summary revocation upon the first offense.

Except as set forth above, any violation of this policy shall result in the following:

- a. First Offense: Conference with administration and student.
- b. Second Offense: Conference with administration, parent and student.
- c. Third Offence: Loss of right.
